SECTION 1 – GENERAL INFORMATION

1.01 OUR SCHOOL

Parkhurst Academy was founded in 1984 as an independent ministry to serve families that desire a Biblically-based education for their children. Our purpose is to build a solid foundation, to impart God-centered values, and to help our children develop their own unique gifts and abilities. We believe this can be best accomplished by combining a high-quality Christian education with a loving atmosphere, which nurtures each child in body, mind, and spirit. To achieve this end, we disciple our students in God's Word, we help develop their God-given gifts and talents, and we lead them to discover God's purpose for their lives. PA is a non-profit, non-taxable corporation.

1.02 VISION

Equipping students for life; spiritually and educationally.

1.03 MISSION

Empowering students to DISCOVER, DEVELOP, and DEVOTE their lives to the Kingdom.

1.04 CORE VALUES

- Love
- Grace
- Excellence
- Righteousness
- God's Word
- Leadership
- Biblical World View

1.05 PHILOSOPHY OF EDUCATION

- Each and every student is created in the image of God.
- Each person is born a sinner due to Adam and Eve's original sin. This sin separates us from God.
- There is a need to restore fellowship with God, and then equip each individual to serve the Kingdom and spread the Gospel.
- Education serves the purpose of acquainting the student with truth (2 Timothy 3:16). A student comes to wisdom by understanding truth, and then makes decisions based on the truth.
- God is the Father, Son, and Holy Spirit.
 - The Son was sent by the Father to redeem mankind from the consequences of sin and to provide the hope of eternal life.
 - The Holy Spirit has been sent as God's comforter and enlightener to direct the believer's steps.
- The Word of God (Scripture) is crucial in the daily life of a believer. Believers should also be in fellowship with one another to effectively walk out our faith.

1.06 STATEMENT OF FAITH

- We believe:
 - In a triune God - Father, Son, and Holy Spirit (1 John 5:7).

- God is the creator and sustainer of everything (Colossians 1:16-17).
 - Man, while created in God's image, is a sinner fallen from grace by the original sin of Adam and Eve (Genesis 1:27).
 - God sent His Son, Jesus Christ, in human form to atone for our sins. He was born of a virgin, lived a perfect sinless life, died on the cross for our sins, rose from the dead three days later, and is coming back again.
 - Through the acceptance of Jesus as our personal Lord and Savior and through our relationship with Him, we are born again and re-created in God's image through Christ (Romans 3:23).
 - The Bible is the only infallible Word of God and the source of all truth; therefore, the integration of God's Word in all that is studied is vital to our educational process (John 17:17).
 - The Holy Spirit was sent by God to guide and teach the believer to discern truth (John 16:13).
 - In the moral foundations and biblical principles found in the Word.
 - Students should view themselves as uniquely created, loved by their Heavenly Father, and made in His image.
 - Parents/guardians are ultimately responsible for the spiritual development of their students. The school is will support the parents/guardians in training their students in the way they should go.
- Parents/guardians, who choose to enroll their children at PA, agree to support these biblical values and principles, and understand they will be taught to all students.

PA students will exemplify the standards set forth in the Core Values and the Code of Conduct during school activities on or off-campus. The Code of Conduct applies to all activities involving PA students regardless of whether the event is school sponsored.

1. Conflict Resolution

- If a concern arises regarding a specific faculty/staff member, or student related issue (discipline matter, academic issue and the like), the parent/guardian must communicate that concern according to guidelines found in Matthew 18.

- This involves first meeting with the faculty/staff member to discuss the matter further. If an understanding is not reached, the parent may contact an administrator. Any conflict that is not satisfactorily resolved by the school faculty and administration may be addressed in writing to the Superintendent.

SECTION 3 – CODE OF CONDUCT

- The primary goal of the PA Code of Conduct is to promote strong Christian character, improve behavior, and protect the welfare of all students. Differences in age, maturity, and neurodiversity are recognized in determining appropriate disciplinary action, however all students must take responsibility for their own actions. Attending PA is a privilege that is extended on the condition that students and parents/guardians adhere to all school policies, including the Code of Conduct.

- Students, parents/guardians, and staff are responsible for encouraging Christ-like and orderly student behavior. PA promotes the development of strong ethical and moral values that are guided by biblical principles.
- The basic responsibility for discipline resides within the home; therefore, parents/guardians will be informed when circumstances needing disciplinary action arise. Disciplinary efforts are only effective when the home and school work in harmony (Proverbs 19:18, I Timothy 3:4-5).
- The school, in its sole discretion, will make the final determination of whether there has been a violation of the conduct policies. Serious violations may result in suspension, a behavioral contract, and/or a request that the student be withdrawn from the school or expelled.
- The Dean of Students has authority over all behavioral/disciplinary matters.
- The PA Code of Conduct will be enforced on and off campus.

3.01 GUIDING PRINCIPLES

- The attitude, repentant spirit, and cooperation of the student and/or parent/guardian involved will be considered in the imposition of sanctions and consequences.
- PA reserves the right to discipline a student for off-campus misconduct.
- Florida Statutes require PA to report violations of law to the proper authorities (FL Statute 1006.13 (4)(a)). When incidents occur that may also be violations of law, PA will have sole discretion to determine if law enforcement is to be notified. When authorities are involved, PA is not obligated to wait on or concur with the findings of the authorities in determining the appropriate action under the PA policies.
- An attempt to violate the Code of Conduct may be considered a complete violation. Accomplices may be considered violators and face similar consequences.
- The Code of Conduct is not intended to be an exhaustive list of misconduct that will subject students to discipline. PA reserves the right to discipline a student for any conduct it considers worthy of discipline, even if the specific conduct is not mentioned in this Code.
